Rodent Killing Campaign to Open in Hamlin Monday; Warn Owners of Pets

A campaign to eradicate rats in Hamlin, sponsored jointly by the Chamber of Commerce and the City Council, will get underway Monday of next week, it was announced Wednesday.

The campaign will be directed by Joe B. Lindsey of the U. S. Wildlife Department. Lindsey is expected to come to Hamlin for three days to supervise details of the work.

Owners of pets were warned this week to keep them up Monday, Tuesday and Wednesday of next week to prevent the accidental poisoning of domestic animals.

The killing agent to be used will be red squill, which is a deadly poison, and could result in the deaths of many household pets if they came in contact with it, sponsors of the plan pointed out.

It is planned to have a crew of

men work the entire business district of Hamlin, putting out the poison in miniature cups. This operation will be done Monday. On Tuesday the dead rats will be gathered up and their bodies will be burned and on Wednesday the poison cups will be picked up.

Rats, it was pointed out, menace not only merchandise and property, but are a direct menace to health. The rat is known to carry the deadly bubonic plague germ, which spreads easily to human beings.

The fall of the year, it was said, is the ideal time to inaugurate a program of this kind, because many of the rats that had been living under boxes and boards in alleys during the summer move indoors for cooler weather.

Rats are said to cost more than \$2,000,000 in the United States every year, and business men in Hamlin have said that they destroy thousands of dollars worth of merchandise and property here each year.

A committee from the Chamber of Commerce will get in touch with business men an urge participation in the eradication campaign.

Members of the Chamber of Commerce committee in charge of the campaign here are Fred Moore, Delma Shelburne, George Malouf, C. G. Green and Jack Harden.

New Polling Place Is Announced for Hamlin

Voters in Hamlin West Box No. 30 will have a new polling place in the general election, Tuesday, November 2, Miss Lennie Greenway, election official, announced this week.

Instead of voting in the Hamlin High School, as heretofore, voters in that precinct will cast their ballots in the City Hall.

Miss Greenway said the City Hall will be closed for city business on that day to prevent interference with the election.

Rotary Governor Was Guest of City Club

Bill Todd of Fort Worth, governor of the Rotary Clubs in this district, was guest speaker at a meeting of the Hamlin Club Wednesday at noon.

With Todd was his wife, who is making a tour of clubs in this area with her husband.

Todd told club members of the work being done by Rotary on national and international scopes and urged local members to take a more active interest in the fundamental purposes of the organization. He said that every club needs to sponsor one or more worthy projects.

A large group of Rotarians was present to hear the talk.

NOTICE

The Cub Pack, No. 43, of Hamlin will meet Tuesday night at 7:30 in the Elementary School auditorium.

Good Producer Brought in on G. A. Poe Tract

What is described by oil men as a "good producer" was brought in on the G. A. Poe 47 acre tract west of Hamlin last week.

No official gauge had been made on the well prior to Tuesday, but oilmen estimated it will produce as well as other wells in the immediate area. The well is known as the Conway.

Two new locations were staked early this week for the G. A. Poe No. 4 and with depth permits for the well, which is usually found at 4,700 to 5,000 feet.

The Round Top Oil Company made the locations on the T. R. Traylor Preemption.

Oil Industry Talk Is Given by Lions Club

A discussion of the progress made during the past 90 years in the oil industry was given by Eddie Jay at the Tuesday noon meeting of the Hamlin Lions Club.

Jay told of the first production from a hand drilled well in Pennsylvania and contrasted conditions then with conditions now. He said that more than 2,000,000 men are employed in the oil industry today.

Morton Bull Is Winner In State Fair Show

First place in his class was awarded to HG Royal Mixer 954 at the Dallas State Fair last week, it was announced by C. E. Yeager, publicity director.

The bull, a hereford, calved May 23, 1947, was entered in the summer yearling bull class.

He is owned by Mrs. Fay Young, Morton of the Morton Ranch (Y6), south of Hamlin.

HEY KIDS, THE WAR'S OVER...

No More Banging of Firecrackers Council Decided Tuesday Night

The war of the firecrackers is over as far as Hamlin children—and adults—are concerned. There'll be no more shooting of firecrackers within the limits of Hamlin, following the passage of an anti firework ordinance.

The ordinance was passed with an emergency clause which means that its provisions take effect immediately and any violation of its provisions will be punished as a misdemeanor.

Protests of numerous citizens in the past, especially on holidays when fireworks were exploding on every hand, caused the drawing up and passing of the ordinance.

In addition to banning the shooting of firecrackers and other types of fireworks, the ordinance also prohibits merchants from selling the banned merchandise.

Penalty for violation of the ordinance, as set out in the law, is \$100 fine for each day's violation.

Many cities and towns in Texas and other states have passed ordinances against the practice, both as a safety measure and to protect persons from injuries caused by the exploding firecrackers.

Former Convict Talks To High School Group

Bill Mills, a man who spent 25 years of his life in prisons in Texas, Oklahoma and Georgia, addressed a group of high school students Monday in the school auditorium.

Mills talked on the subject, "Crime Does Not Pay," and told of many of his experiences in penitentiaries.

He urged the students to avoid habits that might lead to lives of crime.

Kindergarten Opened Here by Mrs. Beard

Mrs. J. E. Beard has opened a kindergarten for children from 4½ to 6 years of age in a small house in the rear of her home.

Present enrollment is three children, Winnie Bell Grubbs, Helen Henderson and Jimmy Shivers.

Mrs. G. H. Joiner is spending a vacation at Marlin.

Rev. Joe Norton of Hamlin will conduct a revival meeting in the Hamlin Church of the Nazarene, beginning, Wednesday, October 27. The meeting is planned to run through Sunday, November 7, according to the pastor, Rev. Howard Smith. Norton has been in the ministry for 16 years, and has held pastorates in Oklahoma and Texas. He recently moved to Hamlin from Post, where he was pastor for three years, and is now engaged in evangelistic work.

Rainfall This Week Measures .23 of Inch

Rainfall for the week measured .23 of an inch, according to the weather recorder at the City Pump Station.

Added to the 1.73 inches received two weeks ago, rainfall for the month jumped to the total of 1.96 prior to Thursday noon.

A slow rain fell intermittently throughout the day Wednesday, and a heavy mist Thursday morning gave promise of more moisture.

Pictured above is Mrs. J. C. Blanton, for more than 50 years a resident of Jones County and Hamlin, who celebrated her 90th anniversary last week. Mrs. Blanton, a beloved pioneer of the area, is seriously ill at the home of her granddaughter, Mrs. Oran Teague of near Stamford in the New Hope community.

Mice Seek Vengeance in Game Here Thursday Night Against Stamford

Hamlin's Mighty Mice were looking forward this week to an opportunity for revenge against the Stamford Junior team, when the Pups will come here for a return engagement between the elevens.

Stamford gave the Mice their first defeat in more than two years in the second game of the season, played in Stamford September 30. Stamford won by one point.

The return game will be played in Piper Stadium Thursday evening and Coach Johnny Howell has worked hard during the past week to get his charges in shape for the contest.

The Mice scored in every quarter last Thursday night to run rough-

Memorial Library to Be Established In Honor of Late Mary Olive Wendel

In memory of the late Mrs. J. W. Wendel, who died June 3, 1948, a Memorial Library will be established in the Hamlin Church of the Nazarene, it was announced this week by Rev. Howard Smith, pastor.

A memorial service, in which the library program will be launched, will be conducted in the church Sunday evening, October 24 at 6:45. Mrs. Clara Verner of Pasadena California, daughter of Mrs. Wendel, will give a memorial address.

Persons who attend the service are invited to bring one or more books that they will donate to the library, and the Book Shop, Rev. Smith said, has agreed to give a reduction on books purchased for the library project.

Born in Prairie Lea, July 11, 1875, Mary Olive Wendel was married to John W. Wendel in Bay City on January 3, 1899. Two children, a daughter, Clara, and a son, Hamilton, were born to them.

In her youth Mrs. Wendel was a member of the Methodist Church in Bay Town. Later she united with the Nazarene Church in Abilene in 1909. She had been a devoted member of that congregation from that time until her death.

Moving to Hamlin in 1915 the Wendels made many friends here. Wendel has been employed at the Hamlin Compress for more than 30 years.

Mrs. Wendel for many years suffered from asthma and had gone to the home of her daughter in California seeking relief from the malady. She died in a Pasadena hospital June 3.

She is survived by her husband of Hamlin; her daughter and son, both of California; five grand children and two great grandchildren.

The public is invited to attend the service Sunday evening.

Retail Sales for Month in Texas Show Increase

September sales in Texas were estimated to reach \$459,000,000 as dollar sales of Texas retailers rose seven per cent from August, the University of Texas Bureau of Business Research reported.

Compared to a year earlier, retail sales stepped up eight per cent.

As is seasonally expected, durable goods store sales fell six per cent from August, the first monthly setback since May. Only jewelry and furniture stores reported August-to-September increases, nine and four per cent, respectively. Farm implement dealers turned in the greatest reduction over the month, 21 per cent, while sales of lumber and building materials declined 10 per cent from August.

On the other hand, sales of non-durable goods stores climbed 19 per cent from August to September. Except for declines in filling stations, 10 per cent; eating and drinking places, four per cent; and grocery stores (without meat), a fractional decrease, all stores in the non-durable group registered gains from two to 35 per cent.

GETS NEW BUS.

I. R. Hutchinson, superintendent of Hamlin Schools, went to Lubbock Wednesday to return a new school bus to Hamlin.

Spencer Erects New Building at Lumber Company

Construction work on new buildings for the R. B. Spencer Lumber Company in Hamlin got underway last week with the T. E. Shelburne & Son Construction Company in charge.

A complete new plant will be erected on the site long occupied by the firm.

A new office and warehouse will be 26x100 feet and will be constructed of masonry. It will be of modern design and will include all the latest features of such structures.

The lumber shed will be 156x33 feet and will be located through the center of the lot on the southwest corner of Union Street and Ninth.

The Spencer Company has had a yard in Hamlin for 41 years, in its present location.

A Spencer, manager of the firm, has been in charge of the Hamlin yard since 1941.

Cost of the improvement will be approximately \$20,000, Spencer said, and completion is expected within 90 working days.

Foursquare Church to Have Revival Service

A prayer revival meeting will begin in the Hamlin Foursquare Church Sunday, October 24, it was announced this week by Rev. Alice Harrell, pastor.

Services will be conducted each evening by Rev. W. E. Ledbetter, evangelist from Little Rock, Arkansas and Los Angeles, California.

Mrs. Odell Garrett will be in charge of the song services, which will begin at 7:30 each evening.

The public is invited to attend.

Roby Fair Boosters Visit Here Wednesday

With 10 car loads of business men in the group, a caravan of boosters for the Fisher County Fair at Roby visited in Hamlin Wednesday morning to advertise the event.

The fair, which is scheduled for October 28, 29 and 30, is one of the last to be held in this area.

The caravan was met east of Hamlin by a group of members of the Lions Club, headed by Mayor Holly Toler, who conducted the boosters into Hamlin for a brief program on downtown streets.

Russell Goes by Air For Hunting in North

W. C. (Ted) Russell, Hamlin banker, left Monday evening by plane for Miller, South Dakota, where he will spend several days on a hunting trip.

Russell said he expects to hunt pheasant on the Byrd ranch near Miller. He will be gone about 10 days.

BLUE BIRD MEETING.

The Blue Bird group, for girls 7 and 8 years of age, held its first meeting Wednesday afternoon in the Scout Hut. Ten girls and seven mothers attended.

Mrs. W. L. Walker was a visitor in Brownwood last week.

Mrs. G. J. Taylor of Route 3, was a visitor in The Herald office Wednesday afternoon.

Pipers Tie With Roscoe Friday

Hamlin Team to Meet Merkel Badgers In Game Friday Night; Kickoff at 7:30

Hamlin's Pied Pipers, rated the underdogs in their first conference scrap of the season, delighted local fans and surprised the visitors by holding the strong Roscoe Plowboys to a 13-13 tie on the local field last Friday night.

The game looked like a Piper victory throughout the first three quarters, but developed into a tie late in the fourth when the Plowboys rallied and scored on a pass.

The tieing score was made when a Roscoe player grabbed the ball and raced 54 yards for a touchdown.

Joe Ford, fleet-footed Piper player, scored the first center of the game when he took the ball from Joe Dean on a Statue of Liberty play and scampered around left end for 19 yards and a touchdown.

Joe Dean's toe accounted for the extra point to make the score 7-0 at the end of the first quarter.

The Plowboys, in the second quarter, blocked Joe Dean's punt and J. B. Chapman plunged through the line for a touchdown, but the ball was called back on a penalty, the only one assessed against the visitors.

On the next play Morris tossed the ball to Ratliff who was standing in the end zone, to make the score 7-6. Roscoe's try for the extra point failed.

Roscoe kicked off and the Pipers smothered the ball on the 11-yard line.

Again Joe Ford grabbed the ball and with good downfield blocking, he outran the pursuing Plowmen to the doublestrip. The attempt for extra point was blocked.

At the half the Pipers were leading the Plowmen 13-6.

The Plowboys rallied in the third and held the Pipers to only one first down. Roscoe then drove to the Piper three yard line where Morris plunged across. Chapman's toe then accounted for the extra point to tie the game.

The two teams then rocked in mid-field until the final whistle.

The Pipers, directed by Coach Jesse Burditt, dug in this week for intensive practice to prepare for a

game Friday night with the Merkel Badgers at Merkel.

The Merkel game kickoff will take place at 7:30, according to I. R. Hutchinson, superintendent of Hamlin schools.

Candidates Are Named for Queen Of High School

Class candidates for High School Queen, escorts and ladies in waiting were named in meetings of the classes held Tuesday, October 19.

Winner of the election contest will be crowned queen in the Junior Festival, which is set for November 20 in Piper Stadium.

Candidates and their backers are busy seeking support for their favorites among student body members, and a hot political campaign seemed to be shaping up this week.

Candidates from the various classes are:

Senior: Janet Bonner, queen; Clifton Townsend, escort, and Vannie Huling and Nadine Blount, ladies in waiting.

Junior: Frankie Madden, queen; John Holland, escort, and Nita Green and Donna Miller, ladies in waiting.

Sophomore: Dorothy Altum, queen; Billy Sutherland, escort, and Oleta Kite and Oleta Meeks, ladies in waiting.

Freshmen: Glenna Brewer, queen; Dean Phipps, escort, and Janet Durham and Grovena Sipe for ladies in waiting.

Eighth grade: Patsy Dunn, queen; Joe Vic White, escort, and Allen Roberts and Louella Brigham, ladies in waiting.

DROUTH COMES TO HAMLIN...

Heavy Haul of Liquor, Beer and Gin Is Made by Raid Squad in Negro Section

The drouth returned to Hamlin last Saturday, and dry throats of numerous Hamlinites attested to its severity.

The "drouth" returned when a group of state, county and city officers, armed with search warrants, swooped down on three houses in Hamlin's Negro section and confiscated more than 40 gallons of assorted whisky, beer and choc beer.

In addition to the liquor that was taken in the raid, officers also arrested three men and placed charges of violation of the liquor laws against them in county court at Anson.

The raids were made in the homes of Frank Burleson, Abner Logan and Luther Wright, all of whom were to appear in Jones County court Wednesday for arraignment on the charges.

In the Burleson home officers said they found 12 pints of assorted hard liquor and 48 12-ounce cans of beer.

In the Logan home the officers reported seizing 60 12-ounce cans of beer and 30 gallons of choc beer.

From the Luther Wright home the raid netted four pints of whisky, 10 half-pints of gin and 37 12-ounce cans of beer.

J. H. Foser, Hamlin chief of police, led the raid and was assisted by George Canal, Joe Backus and Jack Miles, Liquor Control Board operatives from Lubbock, and two members of the state highway patrol. Doyle Woody, deputy sheriff from Anson, also took part in the raids.

This Is America

Sometimes when one has become weary of the overbearing bureaucrats who seek further to regiment our lives, our industry and our thoughts, he may find himself thinking "Can this be happening in America?"

And when an individual has watched with anxiety the steady and unmistakable turning of the national administration toward the left, and has felt that our government was saturated with communists and fellow-travelers, he may find himself wondering, "What has happened to the Old America—where have our fundamental ideals of democracy gone?"

And when one hears on every side the crack-pot schemes of do-gooder demagogues, whose promises encompass every wild dream in the collective minds of mankind, he begins to ask, "How can such ideologies spring up in America?"

All of these things disturb us and sometimes cause deep unrest of mind and spirit. And yet, they need cause us no real worry. They represent only the dross that comes to the surface in the process of purifying our democratic way of life. They are the inevitable result of a system which permits every individual to think his own thoughts and voice his own opinions, secure in the knowledge that such a right is irrevocably his.

The inane babblings of Henry Wallace, the nation's champion pig killer, may sound like the hysterical ravings of an erratic mind, but it is his undeniable privilege to voice his political tenets by any means he may choose. The scathing voice of Truman, raised in angry denunciation of the 80th Congress, may cause old-lie Jeffersonian Democrats to squirm in anguish and to deplore the day when the long arm of the Pendegast machine reached into the mansion on Pennsylvania Avenue, and yet such denunciation is Truman's right by virtue of written law and well-defined tradition.

It would be time for real alarm if the day ever came when these men, or others like them, were denied the privilege of attacking whatever they believe to be deserving of attack.

Our principals of self-government and our democratic way of life would be endangered if any attempt were made, either by law or by popular uprising, to keep such people from airing their grievances.

It is your right to support Wallace, if you so choose, and it is my right to oppose him. It is your right to follow the leadership of Thurmond, if that program pleases you, and it is my right to denounce him and

declare him unfit for leadership.

From the foundations of our nations we have had men who advanced what seemed to others to be the essence of nonsense and the soul of demagoguery, and yet the American way of life gave them protection in their thinking and their speaking and their campaigning.

This is still America, where our laws are designed to afford protection even to those who would—by peaceful means and persuasion—overthrow the very charter which guarantees their right to attack its provisions.

This is still America where every race and color and creed on earth can live and work and play and enjoy the blessings of individual liberty. This is still America where each and everyone of us has the inalienable right to speak his piece and urge his neighbors to join with him in whatever crack-pot scheme his fevered brain may have hatched.

Thank God for the Wallaces and the Trumans and the Deweys and all others who freely voice their opinions and bring home to us with such clarity the fact that this is still America—the last best hope of mankind.

There's Ample Precedent

The Hamlin Herald is entirely neutral in the discussion on Coke Stevenson's apostasy from the doctrines of the Democratic party. This paper is willing neither to condemn nor to praise the former governor for his recent announcement that he will support the Republican candidate for senator.

But whether right or wrong, Coke Stevenson has ample precedent for his action.

It was the late President Roosevelt himself, who is regarded by the party faithful as a combination prophet and political messiah, who said "The first time I voted for president I voted for the Republican candidate. I believed him to be a better Democrat than the Democratic nominee." Roosevelt, later, urged the election of Republicans on numerous occasions when he believed they would follow the New Deal line.

Then there are Jesse Jones, Al Smith, Harry F. Byrd and numerous other party stalwarts who have balked at "voting 'er straight."

So regardless of the motives ascribed to Stevenson for his recent bolt, and regardless of the rightness or wrongness of his stand, he has ample precedent for his startling announcement.

Stamford Music Association to Open Drive for Members; Programs Slated

People in the northern and western part of Jones County are renewing memberships in the Stamford Civic Music Association at a rapid pace, Miss Olive McDouglas, secretary, said this week.

Renewals will be taken only until October 25 at 5:00 p. m., when those who have not previously been members will be given an opportunity to join the organization.

Purpose of the association is to promote a series of programs of good music during the coming months.

Season tickets will sell for the same price as last year, \$6 for the four concerts planned by the association. The price includes \$5 for the tickets and \$1 tax. No tickets will be sold for a single concert.

One of the programs planned for this year will be by the male quartet which proved so popular last year.

Kickoff meeting for the association will be held Monday night, Oct.

tober 25 at 7:30 o'clock in the Stamford Country Club. Workers from Stamford will be joined by workers from surrounding towns, who are interested in the program, Miss McDouglas said.

Miss Edith Lowery, civic concerts service representative, will attend the meeting and outline the program for the concerts.

Mrs. Grady Bowdry is chairman of the membership drive, and Dr. Ike Hudson is president of the organization.

COUNTY TOUR PLANNED.

A countywide tour for Jones County Home Demonstration Club members will be conducted Wednesday, October 27, it was announced this week by Miss Loretta Allen, County Agent. The group will meet at the court house in Anson at 9:00 a. m., and following an extensive tour they will eat lunch in Pleasant Valley.

Captain of Industry

Meet Butch—Pres., Treas., and Field Force of the One Man Odd Jobs Co., Uninc. Take a good look at him—for Butch is America.

Butch wants a bicycle. Lots of lawn and lemonade and baby-sitting lie between Butch and that bike, but we're betting on the boy. He has energy, vision, and our national habit of working hard for what he wants. He's American business—in miniature.

There are many names for Butch's philosophy. You can call it Free Enterprise, Opportunity, Democracy, or Capitalism, if you want.

But, whatever the name, America owes it much. For our most valuable natural resource lies in the ambition and initiative of Americans like Butch.

As great publications have grown from the dreams of young men with old handpresses—and great industries from the products of grubby little cellar workshops—the electric industry had small beginnings, too. Like our own company. A few men with vision strung the first small lines. People with faith risked their savings. Better and better service, at lower and lower cost, created more and more jobs—and carried the benefits of electric living to more and more people.

Free enterprise and hard work will bring Butch and his bike together. They are what built America and the American way of life, which is the highest standard of living in the world. No nation on earth has found a satisfactory substitute for that combination.

Don't you tempt fate ...

Don't try to palm off a worn-out summer oil on your engine this winter. It just doesn't pay. Because, first of all, it's bound to be dirty. And that means excessive wear on metal surfaces. But more important, old summer oil just can't measure up.

So don't you tempt fate! Make a date today to OIL-PLATE your engine with winter-grade Conoco Nth Motor Oil! Get Nth oil's

quicker starts ... plus the extra protection of Conoco Nth OIL-PLATING.

Because Nth contains a special added ingredient that fastens an extra film of lubricant to your engine's working parts ... cylinder walls are actually OIL-PLATED, extra-protected from "dry" friction starts, from power-clogging sludge and carbon due to wear.

It's your car's good fortune when you ...

Make a date to Oil-Plate!

Survey of West Texas Area Reveals Ideal Location for Cotton Mills

West Texas is in an especially favored spot to acquire a large part of the nation's textile growth, according to a cotton textile industry survey for he area, just issued in a bulletin from Texas Technological College, Lubbock. This bulletin was prepared by Mark E Wood, research associate of the Cotton Research Committee of Texas, for the eWest Texas Chamber of Commerce-Santa Fe industrial committee.

Wood points to growing western markets as requiring a greater expansion of the textile industry. The area already has five cotton mills within its boundaries and the only textile engineering school west of the Mississippi, where the "know-how" of cotton textile manufacturing is taught.

History of the cotton textile industry in the United States is fully traced in the report, with tables and charts giving comparison of the West Texas area with cotton

textile manufacturing centers.

"There is some evidence that eastern capital already is interested in West Texas as a potential center of cotton textile manufacturing," the report says.

Advantages of location in West Texas are then listed, although the report points to the necessity of ample water for the industry.

The West Texas Chamber of Commerce has passed copies of the report on to its local directors and local Chambers of Commerce, urging them to apply it to local conditions.

Louise McCain is Wed To Hamlin Publisher

Miss Louise McCain of 907 West Third street, Sweetwater, was married to Paul Willard (June) Jones of Hamlin in the home of Willbourn C. Hill, Sweetwater Church of Christ minister, October 7.

A single ring ceremony was read by the minister to seal the vows for the couple.

The bride is the daughter of Mrs. Lucille McCain of Sweetwater. She graduated from Hobbs High School in 1947 and since that time has been employed in a Sweetwater store.

Jones is the son of Mr. and Mrs. Willard Jones of Snyder. He graduated from Snyder High School in 1914, and later attended Hardin-Simmons University for two years. He volunteered for service in the Navy and served for two and one-half years during the war.

Following his discharge, Jones came to Hamlin, where he became publisher of The Hamlin Herald. And is also interested with his father in the publication of newspapers at Spur and Haskell.

Inauguration ceremonies for E. J. Howell, first president of Tarleton College since it became a part of the A&M system, will be held in the college auditorium at 2:00 p. m., October 2. Robert R. Herring, mayor of Breckenridge, and president of the Tarleton Ex-Student Association, will deliver the main address for the occasion.

McMurry-ACC Game Draw Crowd Saturday

The McMurry Indians, after dropping three of five starts this season, will tangle with the Abilene Christian Wildcats October 23, in Abilene, as a second conference encounter for each squad. The Indians fell before the Texas A&I Javelinas 22-14 last Saturday in Kingsville, while the Wildcats ran over Western Colorado 39-14.

The Tribe squad meets the Wildcat eleven as a major attraction for the McMurry homecoming, marking the sixth time the Christians have been the Indians grid opponents on the occasion. The McMurryans have won four and lost one of the series.

Week of Prayer Is Observed by Members Of Baptist Women's Missionary Society

Members of the Women's Missionary Society of the First Baptist Church observed the annual Week of Prayer in daily programs in the church building during last week. Theme for the week was "Baptist Highways in Texas."

Mrs W C Russell led the program Monday afternoon, when the following topics were studied: "On the Road to Damascus," Mrs A R Posey; "Beginning of Women's Missionary Union in Texas," Mrs Calvin Collins; "The Sunday School Ridge Road in Texas," Mrs Martha Rhodon; "The Training Union in Texas—Express Ways," Mrs Edward Gardner; "The Brotherhood—Roads Under Construction," Mrs Jim Howard King; "Baptist Student Union—Campus Trails," Mrs Clyde Angel.

Mrs Herman Treadwell led the group Tuesday afternoon in studying "World Highways in Texas." Mrs Teddy Russell gave a devotional to open the program. "The Friendly Road—Mexican Work," Mrs Fred Moore Jr.; "World Highways in Texas—Europe to America," Mrs. Treadwell; "Many Sided Roads," Mrs Bill Shira.

The young people had charge of Wednesday's program, with Mrs J C Greenway leading in studying "Caution—Wandering Roads." The Scripture lesson was Luke 42.

"The Cooperative Program" was discussed by Patsy Parek; "Rural Roads," discussion was led by Donna Gayle Miller; "A Dialogue—Other Road Builders Have Paved the Way" with James Marshall interpreting both parts.

Mrs Etta Stephenson led the study Thursday when hospitals and schools were the subject. Mrs J W Ezell told of interesting charity cases in Baptist hospitals. Mrs W A Allbritton gave interesting details about Baylor Hospital in Dallas Hendrick Memorial Hospital in Abilene, Memorial in Houston, Hillcrest Memorial in Waco and Magic Valley Hospital in Harlingen. She also told of the new hospital being built in Beaumont.

Mrs M P May discussed facts about the Texas Baptist schools. Mrs Tate May, Mrs W L Boy and Mrs Joe A Simpson discussed the founding of Baylor.

Mrs A S pence had charge of the Friday program when the study was on "One Way Only—The Road With Christ," with Scripture from John 14.

Mrs Ned Moore discussed "Trails One Hundred Years Ago," and Mrs Leslie Shelburne talked on "Speed-

way and Barriers." "The Dead End Road of Alcohol," was the topic of Mrs Cecil Sellers; "The Road Ahead—A Challenging Program," was reviewed by Mrs Lester Morton.

Mrs Clyde Angel was in charge of arrangements for the week's program. Theme song for the week was "Road Builders," sung to the tune of "Battle Hymn of the Republic."

Two Snyder Men Are Arrested by Foster

Charges of carrying concealed weapons were filed in county court this week by City Marshall J. H. Foster, against Anderson Davis and Layton Hardwick, both of Snyder.

The men were arrested Saturday near Hamlin, and Foster said both of them were carrying pistols.

Taken to Anson for arraignment, the defendants were released on cash bonds of \$130 each when County Judge Roger Garrett was out of town.

Chevrolet... Leader in Value

Your choice for QUALITY on all these counts

*...at prices that are lower than those of
any other car in its field!*

Your No. 1 Choice for
RIDING SMOOTHNESS

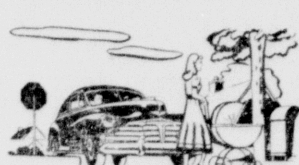

Men and women agree that Chevrolet gives a much smoother, steadier ride than other cars in its field. The reason is that Chevrolet alone has the original Unitized Knee-Action Ride, backed by more than 14 years' experience in building Knee-Action units. This feature is found elsewhere only in higher-priced cars.

Your No. 1 Choice for
PERFORMANCE
with ECONOMY

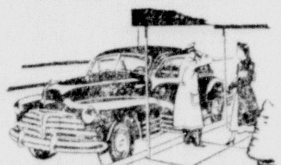

You'll enjoy much finer performance with economy in Chevrolet. Its world's champion Valve-in-Head engine holds all records for miles served, owners satisfied, and years tested and proved. And Valve-in-Head engine-design, like so many other Big-Car features, is found only in Chevrolet and more costly cars.

Your No. 1 Choice for
ALL-ROUND SAFETY

You and your family will ride in safety, thanks to Fisher Unitized Body-Construction—safety plate glass in all windows—the road-steadiness of the Unitized Knee-Action Ride—and the stopping-power of Positive-Action Hydraulic Brakes—fourfold safety-protection exclusive to Chevrolet and costlier cars!

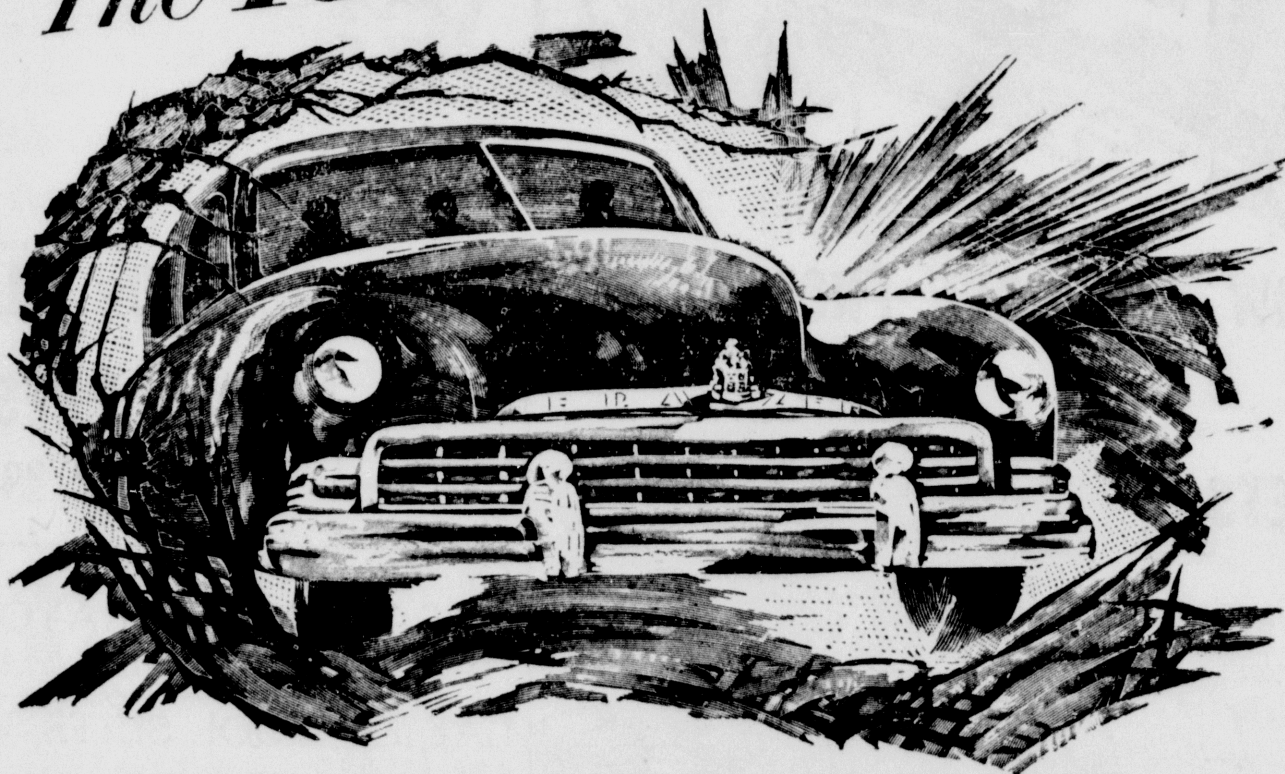

Your No. 1 Choice for
TASTEFUL BEAUTY

You know—and your friends know—that the emblem, *Body by Fisher*, is the hallmark of bodies that are better by far. Chevrolet's Bodies by Fisher reveal this finer quality in every detail, including the hardware, upholstery and all appointments. Naturally, these bodies are exclusive to Chevrolet and higher-priced cars.

Here it is Hamlin!

The 1949 FRAZER

Trailblazer-of cars to come!

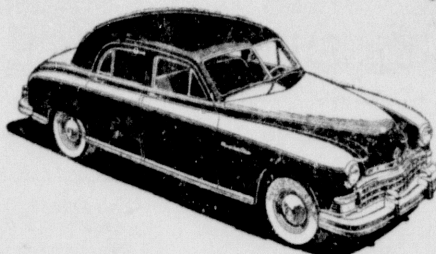

Once in a blue moon the stylists and engineers outdo themselves. They create a car that goes beyond today and sets the pattern for cars of the future.

This is what they have done with the FRAZER for 1949!

Low, sleek and differently handsome it is the trailblazer in style of cars to come. Its exclusive colors and fabrics have made the world's leading fashion designers fall in love with it. They call it "the dream car".

The same car, the FRAZER for 1949, has even won the hard-to-win hearts of the test drivers who must relentlessly punish a car mile after mile for weeks on end. They say the Frazer makes such driving no punishment for them. Its driving ease and riding comfort "make 600 miles a day a breeze," they say.

There's a thrill waiting for you at your dealer's today. With 100 new features, improvements and refinements, the 1949 FRAZER is ahead of its time... out front—trailblazing the way for all the cars to come. First to break clean and scrap tradition, the cars from Willow Run have done it again. Because unlike other "new" cars built since the war, they've road-proved their dependability—2 billion miles worth! Value-proved to a quarter-million justly proud owners. See and drive the new FRAZER now! It's at your dealer's. Kaiser-Frazer Corporation, Willow Run, Michigan.

State Health Official Discusses Menace of Colds; Offers Suggestions

We have all had the experience of in voluntarily moving away from someone in a crowd who suddenly coughed or sneezed. It could be that the offender's nose or throat was merely sensitive to dust in the air, but we take no chances. No one wants to catch a cold, and with good reason.

The movement away from the cold sufferer is based on sound and unpleasant experience. The "common cold" is no respecter of sex, age or season. Everybody knows that a cold can mean days of coughing and sneezing, that "stuffed up" feeling or a running nose, with the victim looking almost as miserable as he feels. Worst of all, although no one dies of just a cold, it can lead to serious complications that may cause grave and even fatal illness.

Colds are highly contagious. They are caused by a virus, or germ, so small that it cannot be seen with an ordinary microscope. It travels from the sick person to well people and is most frequently spread by droplets of moisture sprayed into the air when the person with a cold sneezes or coughs.

A cold is an infection and, as in the case of all infections, we can discourage cold germs from taking hold by keeping to a well-balanced, nourishing diet, getting plenty of rest, sleep and fresh air, dressing comfortably and in keeping with the weather and avoiding chill and excessive fatigue.

When precautions fail, as they frequently do, and the first unwelcome symptoms of a cold appear, the victim should stay at home. This prompt action may shorten the cold's existence and lessen the likelihood of complications as well as reducing spread to others. Plenty of rest is an important factor in treating a cold. The cold victim should have plenty of liquids including water, fruit juices and clear soups.

If a fever develops, the patient should go to bed and call a physi-

cian. Anyone who has a cold should exercise common sense and courtesy to prevent spreading it to others. He should "keep his distance," in laughing and talking to others. He should cover all his coughs and sneezes, not with his hands but with his handkerchief or preferably with tissues that he can dispose of easily and inexpensively. The cold victim should wash his hands frequently, because he handles his handkerchief or paper tissues, then handles articles that are used by others, and in that way spreads his cold germs.

Remember that a cold is more than a temporary nuisance. Neglected, it can become the forerunner of pneumonia, serious ear trouble, bronchitis, sinusitis and other serious trouble.

Sentinels of Health

Don't Neglect Them!
Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The act of living—life itself—is constantly producing waste matter the kidneys must remove from the blood if good health is to endure. When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel tired, nervous, all worn out.
Frequent, scanty or burning passages are sometimes further evidence of kidney or bladder disturbance.
The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body waste. Use Doan's Pills. They have had more than forty years of public approval. Are endorsed the country over. Insist on Doan's. Sold at all drug stores.

Because of a case of "flu," the reporter hasn't been around much for the past week and if news items are scarce then you know the reason.

The two and a quarter inch rain last week really started the farmers in this community sowing grain.

It seems that most of the news in the big dailies and weeklys last week concerned Dr Callan of Rotan. The doctor deserves a lot of credit, even we can vouch for that. We very well remember when he and his staff "patched up" a lot of broken up people from McCaulley a little over a year ago and we have a notion that if ever again we get our heads caved in and our legs broken

we are likely to "take out" for Doc Callan.

Rodent Killing Campaign to Open in Hamlin Monday; Warn Owners of Pets

A campaign to eradicate rats in Hamlin, sponsored jointly by the Chamber of Commerce and the City Council, will get underway Monday of next week, it was announced Wednesday.

The campaign will be directed by Joe B. Lindsey of the U. S. Wildlife Department. Lindsey is expected to come to Hamlin for three days to supervise details of the work.

Owners of pets were warned this week to keep them up Monday, Tuesday and Wednesday of next week to prevent the accidental poisoning of domestic animals.

The killing agent to be used will be red squill, which is a deadly poison, and could result in the deaths of many household pets if they came in contact with it, sponsors of the plan pointed out.

It is planned to have a crew of

men work the entire business district of Hamlin, putting out the poison in miniature cups. This operation will be done Monday. On Tuesday the dead rats will be gathered up and their bodies will be burned and on Wednesday the poison cups will be picked up.

Rats, it was pointed out, menace not only merchandise and property, but are a direct menace to health. The rat is known to carry the deadly bubonic plague germ, which spreads easily to human beings.

The fall of the year, it was said, is the ideal time to inaugurate a program of this kind, because many of the rats that had been living under boxes and boards in alleys during the summer move indoors for cooler weather.

Rats are said to cost more than \$2,000,000 in the United States every year, and business men in Hamlin have said that they destroy thousands of dollars worth of merchandise and property here each year.

A committee from the Chamber of Commerce will get in touch with business men an urge participation in the eradication campaign.

Members of the Chamber of Commerce committee in charge of the campaign here are Fred Moore, Delma Sheburne, George Malouf, C. G. Green and Jack Harden.

Good Producer Brought in on G. A. Poe Tract

What is described by oil men as a "good producer" was brought in on the G. A. Poe 47 acre tract west of Hamlin last week.

No official gauge had been made on the well prior to Tuesday, but oilmen estimated it will produce as well as other wells in the immediate area. The well is known as the Conway.

Two new locations were staked early this week for the G. A. Poe No. 3 and 4 with depth permits for the well, which is usually found at 4,700 to 5,800 feet.

The Round Top Oil Company made the locations on the T. R. Traylor Preemption.

Oil Industry Talk Is Given by Lions Club

A discussion of the progress made during the past 90 years in the oil industry was given by Eddie Jay at the Tuesday noon meeting of the Hamlin Lions Club.

Jay told of the first production from a hand drilled well in Pennsylvania and contrasted conditions then with conditions now. He said that more than 2,000,000 men are employed in the oil industry today.

Morton Bull is Winner in State Fair Show

First place in his class was awarded to HG Royal Mixer 954 at the Dallas State Fair last week, it was announced by C. E. Yeager, publicity director.

The bull, a hereford, calved May 23, 1947, was entered in the summer yearling bull class.

He is owned by Mrs. Pay Young, Morton of the Morton Ranch (Y6), south of Hamlin.

HEY KIDS, THE WAR'S OVER...

No More Banging of Firecrackers Council Decided Tuesday Night

The war of the firecrackers is over as far as Hamlin children—and adults—are concerned. There'll be no more shooting of firecrackers within the limits of Hamlin, following the passage of an anti fireworks ordinance.

The ordinance was passed with an emergency clause which means that its provisions take effect immediately and any violation of its provisions will be punished as a misdemeanor.

Protests of numerous citizens in the past, especially on holidays when fireworks were exploding on every hand, caused the drawing up and passing of the ordinance.

In addition to banning the shooting of firecrackers and other types of fireworks, the ordinance also prohibits merchants from selling the banned merchandise.

Penalty for violation of the ordinance, as set out in the law, is \$100 fine for each day's violation.

Many cities and towns in Texas and other states have passed ordinances against the practice, both as a safety measure and to protect persons from injuries caused by the exploding firecrackers.

Former Convict Talks To High School Group

Bill Mills, a man who spent 23 years of his life in prisons in Texas, Oklahoma and Georgia, addressed a group of high school students Monday in the school auditorium.

Mills talked on the subject, "Crime Does Not Pay," and told of many of his experiences in penitentiaries.

He urged the students to avoid habits that might lead to lives of crime.

Kindergarten Opened Here by Mrs. Beard

Mrs. J. E. Beard has opened a kindergarten for children from 4½ to 6 years of age in a small house in the rear of her home.

Present enrollment is three children, Winnie Bell Grubbs, Helen Henderson and Jimmy Shivers.

Mrs. G. H. Joiner is spending a vacation at Marlin.

Rev. Joe Norton of Hamlin will conduct a revival meeting in the Hamlin Church of the Nazarene, beginning Wednesday, October 27. The meeting is planned to run through Sunday, November 7, according to the pastor, Rev. Howard Smith. Norton has been in the ministry for 16 years, and has held pastorates in Oklahoma and Texas. He recently moved to Hamlin from Post, where he was pastor for three years, and is now engaged in evangelistic work.

Rainfall This Week Measures .23 of Inch

Rainfall for the week measured .23 of an inch, according to the weather recorder at the City Pump Station.

Added to the 1.73 inches received two weeks ago, rainfall for the month jumped to the total of 1.96 prior to Thursday noon.

A slow rain fell intermittently throughout the day Wednesday, and a heavy mist Thursday morning gave promise of more moisture.

Pictured above is Mrs. J. C. Blanton, for more than 50 years a resident of Jones County and Hamlin, who celebrated her 90th anniversary last week. Mrs. Blanton, a beloved pioneer of the area, is seriously ill at the home of her granddaughter, Mrs. Oran Teague of near Stamford in the New Hope community.

Memorial Library to Be Established In Honor of Late Mary Olive Wendel

In memory of the late Mrs. J. W. Wendel, who died June 3, 1948, a Memorial Library will be established in the Hamlin Church of the Nazarene, it was announced this week by Rev. Howard Smith, pastor.

A memorial service, in which the library program will be launched, will be conducted in the church Sunday evening, October 24 at 6:45. Mrs. Clara Verner of Pasadena, California, daughter of Mrs. Wendel, will give a memorial address.

Persons who attend the service are invited to bring one or more books that they will donate to the library, and the Book Shop, Rev. Smith said, has agreed to give a reduction on books purchased for the library project.

Born in Prairie Lee, July 11, 1875, Mary Olive Wendel was married to John W. Wendel in Bay City on January 3, 1899. Two children, a daughter, Clara, and a son, Hamilton, were born to them.

In her youth Mrs. Wendel was a member of the Methodist Church in Bay Town. Later she united with the Nazarene Church in Abilene in 1909. She had been a devoted member of that congregation from that time until her death.

Moving to Hamlin in 1915 the Wendels made many friends here. Wendel has been employed at the Hamlin Compress for more than 30 years.

Mrs. Wendel for many years suffered from asthma and had gone to the home of her daughter in California seeking relief from the malady. She died in a Pasadena hospital June 3.

She is survived by her husband of Hamlin; her daughter and son, both of California; five grand children and two great grandchildren.

The public is invited to attend the service Sunday evening.

Retail Sales for Month in Texas Show Increase

September sales in Texas were estimated to reach \$459,000,000 as dollar sales of Texas retailers rose seven per cent from August, the University of Texas Bureau of Business Research reported.

Compared to a year earlier, retail sales stepped up eight per cent.

As is seasonally expected, durable goods store sales fell six per cent from August, the first monthly setback since May. Only jewelry and furniture stores reported August-to-September increases, nine and four per cent, respectively. Farm implement dealers turned in the greatest reduction over the month, 21 per cent, while sales of lumber and building materials declined 10 per cent from August.

On the other hand, sales of non-durable goods stores climbed 19 per cent from August to September. Except for declines in filling stations, 10 per cent; eating and drinking places, four per cent; and grocery stores (without meat), a fractional decrease, all stores in the non-durable group registered gains from two to 35 per cent.

GETS NEW BUS.

I. R. Hutchinson, superintendent of Hamlin Schools, went to Lubbock Wednesday to return a new school bus to Hamlin.

Mice Seek Vengeance in Game Here Thursday Night Against Stamford

Hamlin's Mighty Mice were looking forward this week to an opportunity for revenge against the Stamford Junior team, when the Mice will come here for a return engagement between the elevens.

Stamford gave the Mice their first defeat in more than two years in the second game of the season, played in Stamford September 30. Stamford won by one point.

The return game will be played in Piper Stadium Thursday evening and Coach Johnny Howell has worked hard during the past week to get his charges in shape for the contest.

The Mice scored in every quarter last Thursday night to run rough-

shod over the Stamford Cubs in a game on the Cubs' home ground.

Marvin Johnson tossed the ball to Loyce Hargrove for the first touchdown of the game and Milton Butler shoved his way through the line for another.

A pass to Robert Fletcher accounted for the extra point. Another pass from Johnson to Troyce Hargrove was good for a touchdown and then Loyce Hargrove caught a pass for the extra point.

Butler went through the line again for a 40-yard sprint and a touchdown, and Don Johnson, playing behind perfect blocking, went 80 yards for the final touchdown of the evening.

Spencer Erects New Building at Lumber Company

Construction work on new buildings for the R. B. Spencer Lumber Company in Hamlin got underway last week with the T. E. Sheburne & Son Construction Company in charge.

A complete new plant will be erected on the site long occupied by the firm.

A new office and warehouse will be 26x100 feet and will be constructed of masonry. It will be of modern design and will include all the latest features of such structures.

The lumber shed will be 156x33 feet and will be located through the center of the lot on the southwest corner of Union Street and Ninth.

The Spencer Company has had a yard in Hamlin for 41 years, in its present location.

A Spencer, manager of the firm, has been in charge of the Hamlin yard since 1941.

Cost of the improvement will be approximately \$20,000, Spencer said, and completion is expected within 90 working days.

Foursquare Church to Have Revival Service

A prayer revival meeting will begin in the Hamlin Foursquare Church Sunday, October 24, it was announced this week by Rev. Alice Harrell, pastor.

Services will be conducted each evening by Rev. W. E. Ledbetter, evangelist from Little Rock, Arkansas, and L. S. Angeles, California.

Mrs. Odell Garrett will be in charge of the song services, which will begin at 7:30 each evening.

The public is invited to attend.

Roby Fair Boosters Visit Here Wednesday

With 10 car loads of business men in the group, a caravan of boosters for the Fisher County Fair at Roby visited in Hamlin Wednesday morning to advertise the event.

The fair, which is scheduled for October 28, 29 and 30, is one of the last to be held in this area.

The caravan was met east of Hamlin by a group of members of the Lions Club, headed by Mayor Holly Toler, who conducted the boosters into Hamlin for a brief program on downtown streets.

Russell Goes by Air For Hunting in North

W. C. (Ted) Russell, Hamlin banker, left Monday evening by plane for Miller, South Dakota, where he will spend several days on a hunting trip.

Russell said he expects to hunt pheasant on the Byrd ranch near Miller. He will be gone about 10 days.

BLUE BIRD MEETING.

The Blue Bird group, for girls 7 and 8 years of age, held its first meeting Wednesday afternoon in the Scout Hut. Ten girls and seven mothers attended.

Mrs. W. L. Walker was a visitor in Brownwood last week.

Mrs. G. J. Taylor of Route 3, was a visitor in The Herald office Wednesday afternoon.

Pipers Tie With Roscoe Friday

Hamlin Team to Meet Merkel Badgers in Game Friday Night; Kickoff at 7:30

Hamlin's Pied Pipers, rated the underdogs in their first conference scrap of the season, delighted local fans and surprised the visitors by holding the strong Roscoe Plowboys to a 13-13 tie in the local field last Friday night.

The game looked like a Piper victory throughout the first three quarters, but developed into a tie late in the fourth when the Plowboys rallied and scored on a pass.

The tying score was made when a Roscoe player grabbed the ball and raced 54 yards for a touchdown.

Joe Ford, fleet-footed Piper player, scored the first center of the game when he took the ball from Joe Dean on a Statue of Liberty play and scampered around left end for 19 yards and a touchdown.

Joe Dean's toe accounted for the extra point to make the score 7-0 at the end of the first quarter.

The Plowboys, in the second quarter, blocked Joe Dean's punt and J. B. Chapman plunged through the line for a touchdown, but the ball was called back on a penalty, the only one assessed against the visitors.

On the next play Morris tossed the ball to Ratliff who was standing in the end zone, to make the score 7-6. Roscoe's try for the extra point failed.

Roscoe kicked off and the Pipers smothered the ball on the 11-yard line.

Again Joe Ford grabbed the ball and with good downfield blocking, he outran the pursuing Plowmen to the doublestripes. The attempt for extra point was blocked.

At the half the Pipers were leading the Plowmen 13-6.

The Plowboys rallied in the third and held the Pipers to only one first down. Roscoe then drove to the Piper three yard line where Morris plunged across. Chapman's toe then accounted for the extra point to tie the game.

The two teams then rocked in mid-field until the final whistle.

The Pipers, directed by Coach Jesse Burditt, dug in this week for intensive practice to prepare for a

Plasterco Church to Have Revival Meeting

Rev. Thurston Healer, pastor of the Plasterco Baptist Church, will lead the Plasterco Baptist Church in a revival meeting, scheduled to open Thursday, October 21, it was announced this week by the pastor, Rev. Leo Moore.

Bob Deaton will be in charge of the song services for the revival. Services will be conducted each evening at 7:30, with special prayer services to be held at 7:00 p. m. each day.

The public is invited to attend the services, Rev. Moore said.

TURNER IS PRAISED.

Earl Turner of Hamlin was a star in Texas A&T's 22-14 upset of the McMurry Indians in Abilene last Saturday night. Turner came in for special praise from Coach Dextery Hayhew and Don Hightower.

DROUTH COMES TO HAMLIN...

Heavy Haul of Liquor, Beer and Gin Is Made by Raid Squad in Negro Section

The drouth returned to Hamlin last Saturday, and dry throats of numerous Hamlinites attested to its severity.

The "drouth" returned when a group of state, county and city officers, armed with search warrants, swooped down on three houses in Hamlin's Negro section and confiscated more than 40 gallons of assorted whisky, beer and choc beer.

In addition to the liquor that was taken in the raid, officers also arrested three men and placed charges of violation of the liquor laws against them in county court at Anson.

The raids were made on the homes of Frank Burleson, Abner Logan and Luther Wright, all of whom were to appear in Jones County

court Wednesday for arraignment on the charges.

In the Burleson home officers said they found 12 pints of assorted hard liquor and 48 12-ounce cans of beer.

In the Logan home the officers reported seizing 60 12-ounce cans of beer and 30 gallons of choc beer.

From the Luther Wright home the raid netted four pints of whisky, 18 half-pints of gin and 37 12-ounce cans of beer.

J. H. Foser, Hamlin chief of police, led the raid and was assisted by George Canal, Joe Backus and Jack Miles, Liquor Control Board operatives from Lubbock, and two members of the state highway patrol. Doyle Woody, deputy sheriff from Anson, also took part in the raids.

Candidates Are Named for Queen Of High School

Class candidates for High School Queen, escorts and ladies' in waiting were named in meetings of the classes held Tuesday, October 19.

Winner of the election contest will be crowned queen in the Junior Festival, which is set for November 20 in Piper Stadium.

Candidates and their backers are busy seeking support for their favorites among student body members, and a hot political campaign seemed to be shaping up this week.

Candidates from the various classes are:

Senior: Janet Bonner, queen; Clifton Townsend, escort, and Vannie Huling and Nadine Blount, ladies in waiting.

Junior: Frankie Madden, queen; John Holland, escort, and Nita Green and Donna Miller, ladies in waiting.

Promoter: Dorothy Altum, queen; Billy Sutherland, escort and Oleta Kite and Oleta Meeks, ladies in waiting.

Freshmen: Glenna Brewer, queen; Dean Phipps, escort, and Janet Durham and Grovena Sipe for ladies in waiting.

Eighth grade: Patsy Dunn, queen; Joe Vic White, escort, and Allen Roberts and Louella Brigham, ladies in waiting.

This Is America

Sometimes when one has become weary of the overbearing bureaucrats who seek further to regiment our lives, our industry and our thoughts, he may find himself thinking "Can this be happening in America?"

And when an individual has watched with anxiety the steady and unmistakable turning of the national administration toward the left, and has felt that our government was saturated with communists and fellow-travelers, he may find himself wondering, "What has happened to the Old America—where have our fundamental ideals of democracy gone?"

And when one hears on every side the crack-pot schemes of do-gooder demagogues, whose promises encompass every wild dream in the collective minds of mankind, he begins to ask, "How can such ideologies spring up in America?"

All of these things disturb us and sometimes cause deep unrest of mind and spirit. And yet, they need cause us no real worry. They represent only the dross that comes to the surface in the process of purifying our democratic way of life. They are the inevitable result of a system which permits every individual to think his own thoughts and voice his own opinions, secure in the knowledge that such a right is irrevocably his.

The inane babblings of Henry Wallace, the nation's champion pig killer, may sound like the hysterical ravings of an erratic mind, but it is his undeniable privilege to voice his political tenets by any means he may choose. The scathing voice of Truman, raised in angry denunciation of the 80th Congress, may cause old-lie Jeffersonian Democrats to squirm in anguish and to deplore the day when the long arm of the Pendergast machine reached into the mansion on Pennsylvania Avenue, and yet such denunciation is Truman's right by virtue of written law and well-defined tradition.

It would be time for real alarm if the day ever came when these men, or others like them, were denied the privilege of attacking whatever they believe to be deserving of attack.

Our principals of self-government and our democratic way of life would be endangered if any attempt were made, either by law or by popular uprising, to keep such people from airing their grievances.

It is your right to support Wallace, if you so choose, and it is my right to oppose him. It is your right to follow the leadership of Thurmond, if that program pleases you, and it is my right to denounce him and

declare him unfit for leadership.

From the foundations of our nations we have had men who advanced what seemed to others to be the essence of nonsense and the soul of demagoguery, and yet the American way of life gave them protection in their thinking and their speaking and their campaigning.

This is still America, where our laws are designed to afford protection even to those who would—by peaceful means and persuasion—overthrow the very charter which guarantees their right to attack its provisions.

This is still America where every race and color and creed on earth can live and work and play and enjoy the blessings of individual liberty. This is still America where each and everyone of us has the inalienable right to speak his piece and urge his neighbors to join with him in whatever crack-pot scheme his fevered brain may have hatched.

Thank God for the Wallaces and the Trumans and the Deweys and all others who freely voice their opinions and bring home to us with such clarity the fact that this is still America—the last best hope of mankind.

There's Ample Precedent

The Hamlin Herald is entirely neutral in the discussion on Coke Stevenson's apostasy from the doctrines of the Democratic party. This paper is willing neither to condemn nor to praise the former governor for his recent announcement that he will support the Republican candidate for senator.

But whether right or wrong, Coke Stevenson has ample precedent for his action.

It was the late President Roosevelt himself, who is regarded by the party faithful as a combination prophet and political messiah, who said "The first time I voted for president I voted for the Republican candidate. I believed him to be a better Democrat than the Democratic nominee." Roosevelt, later, urged the election of Republicans on numerous occasions when he believed they would follow the New Deal line.

Then there are Jesse Jones, Al Smith, Harry F. Byrd and numerous other party stalwarts who have balked at "voting 'er straight."

So regardless of the motives ascribed to Stevenson for his recent bolt, and regardless of the rightness or wrongness of his stand, he has ample precedent for his startling announcement.

Stamford Music Association to Open Drive for Members; Programs Slated

People in the northern and western part of Jones County are renewing memberships in the Stamford Civic Music Association at a rapid pace, Miss Olive McDouglas, secretary, said this week.

Renewals will be taken only until October 25 at 5:00 p. m., when those who have not previously been members will be given an opportunity to join the organization.

Purpose of the association is to promote a series of programs of good music during the coming months.

Season tickets will sell for the same price as last year, \$6 for the four concerts planned by the association. The price includes \$5 for the tickets and \$1 tax. No tickets will be sold for a single concert.

One of the programs planned for this year will be by the male quartet which proved so popular last year.

Kickoff meeting for the association will be held Monday night, October 25 at 7:30 o'clock in the Stamford Country Club. Workers from Stamford will be joined by workers from surrounding towns, who are interested in the program, Miss McDouglas said.

Miss Edith Lowery, civic concerts service representative, will attend the meeting and outline the program for the concerts.

Mrs. Grady Bowdry is chairman of the membership drive, and Dr. Ike Hudson is president of the organization.

COUNTY TOUR PLANNED.

A countywide tour for Jones County Home Demonstration Club members will be conducted Wednesday, October 27, it was announced this week by Miss Loretta Allen, County Agent. The group will meet at the court house in Anson at 9:00 a. m., and following an extensive tour they will eat lunch in Pleasant Valley.

Wesleyan Guild Had Social Last Tuesday

Members of the Wesleyan Service Club of the Hamlin Methodist Church met in the home of Mrs. Mary Farrow last Tuesday evening for a social and business session.

A sandwich plate, with pumpkin pie and coffee were served by Mrs. Farrow and the hospitality committee. Members of the committee are Mrs. Fred Carpenter, Mrs. Ina Shout and Mrs. O. B. Jones.

The Halloween motif was used in room decorations.

Games of 42 were played, following which a short business session was held, conducted by Miss Lulan Vaughan, president.

Those present for the occasion were Miss Vaughan, Miss Georgia Moore, Mrs. O. B. Jones, Mrs. W. H. Gilbert, Mrs. H. L. Williams, Mrs. Ina Shout, Mrs. Fred Carpenter, Mrs. E. M. Wilson, Miss Mae James, Miss Pearl Hudson, Mrs. Ray Willingham, Miss Maggie Mae Seymour, Mrs. Earl Brown and Miss Matilda Cummings.

JOINS TRADES DAY.

The Duncan Oil Company successors to the Stell Service Station, this week joined the Hamlin Chamber of Commerce and took a membership in the Trades Day program.

Mrs. Charles Nesbitt of San Angelo was a guest of her mother, Mrs. W. R. West in Hamlin this week. Mrs. Jack White left Sunday for Maryland to visit her daughter, Mrs. J. Hill.

Always Cool and Comfortable

Captain of Industry

Meet Butch—Pres., Treas., and Field Force of the One Man Odd Jobs Co., Uninc. Take a good look at him—for Butch is America.

Butch wants a bicycle. Lots of lawn and lemonade and baby-sitting lie between Butch and that bike, but we're betting on the boy. He has energy, vision, and our national habit of working hard for what he wants. He's American business—in miniature.

There are many names for Butch's philosophy. You can call it Free Enterprise, Opportunity, Democracy, or Capitalism, if you want.

But, whatever the name, America owes it much. For our most valuable natural resource lies in the ambition and initiative of Americans like Butch.

As great publications have grown from the dreams of young men with old handpresses—and great industries from the products of grubby little cellar workshops—the electric industry had small beginnings, too. Like our own company. A few men with vision strung the first small lines. People with faith risked their savings. Better and better service, at lower and lower cost, created more and more jobs—and carried the benefits of electric living to more and more people.

Free enterprise and hard work will bring Butch and his bike together. They are what built America and the American way of life, which is the highest standard of living in the world. No nation on earth has found a satisfactory substitute for that combination.

Don't you tempt fate...

Don't try to palm off a worn-out summer oil on your engine this winter. It just doesn't pay. Because, first of all, it's bound to be dirty. And that means excessive wear on metal surfaces. But more important, old summer oil just can't measure up.

So don't you tempt fate! Make a date today to OIL-PLATE your engine with winter-grade Conoco Nth Motor Oil! Get Nth oil's

quicker starts ... plus the extra protection of Conoco Nth OIL-PLATING.

Because Nth contains a special added ingredient that fastens an extra film of lubricant to your engine's working parts ... cylinder walls are actually OIL-PLATED, extra-protected from "dry" friction starts, from power-clogging sludge and carbon due to wear.

It's your car's good fortune when you ...

Survey of West Texas Area Reveals Ideal Location for Cotton Mills

West Texas is in an especially favored spot to acquire a large part of the nation's textile growth, according to a cotton textile industry survey for the area, just issued in a bulletin from Texas Technological College, Lubbock. This bulletin was prepared by Mark E Wood, research associate of the Cotton Research Committee of Texas, for the West Texas Chamber of Commerce-Santa Fe industrial committee.

Wood points to growing western markets as requiring a greater expansion of the textile industry. The area already has five cotton mills within its boundaries and the only textile engineering school west of the Mississippi, where the "know-how" of cotton textile manufacturing is taught.

History of the cotton textile industry in the United States is fully traced in the report, with tables and charts giving comparison of the West Texas area with cotton

textile manufacturing centers.

"There is some evidence that eastern capital already is interested in West Texas as a potential center of cotton textile manufacturing," the report says.

Advantages of location in West Texas are then listed, although the report points to the necessity of ample water for the industry.

The West Texas Chamber of Commerce has passed copies of the report on to its local directors and local Chambers of Commerce, urging them to apply it to local conditions.

Louise McCain is Wed To Hamlin Publisher

Miss Louise McCain of 907 West Third street, Sweetwater, was married to Paul Willard (June) Jones of Hamlin in the home of Wilburn C. Hill, Sweetwater Church of Christ minister, October 7.

A single ring ceremony was read by the minister to seal the vows for the couple.

The bride is the daughter of Mrs. Lucille McCain of Sweetwater. She graduated from Hobbs High School in 1947 and since that time has been employed in a Sweetwater store.

Jones is the son of Mr. and Mrs. Willard Jones of Snyder. He graduated from Snyder High School in 1914, and later attended Hardin-Simmons University for two years. He volunteered for service in the Navy and served for two and one-half years during the war.

Following his discharge, Jones came to Hamlin, where he became publisher of The Hamlin Herald. And is also interested with his father in the publication of newspapers at Spur and Hasekell.

A FEW of the gift items that we monogram, are: billfolds, stationery, napkins, scrap and photo books, playing cards, books, trays, bibles, matches and novelty score pads and tally sets. Gift wrappings and gift wrapped for your convenience and pleasure, at The Book Shop, phone 63.

Mrs. Gould Honors Guest With Party

Mrs. Don Gould entertained in her home Saturday evening with a party honoring her cousin, Sabra Diane Drury of Stamford on her birthday anniversary.

The evening was spent in playing games and contests and in listening to music. Refreshments of sandwiches, potato chips, chili beans, cake and cocoa were served.

Those present were the honoree: Sabra Drury, and Sue Hellenbach, both of Stamford, Nona White, June Carter, Laverne Higdon, Jerry Lee, Terry Stringer, Don Johnson, Lois Hargrove, Donald Armstrong and Richard Carmichael.

Inauguration ceremonies for E. J. Howell, first president of Tarleton College since it became a part of the A&M system, will be held in the college auditorium at 2:00 p. m., October 2. Robert R. Herring, mayor of Breckenridge, and president of the Tarleton Ex-Student Association, will deliver the main address for the occasion.

McMurry-ACC Game Draw Crowd Saturday

The McMurry Indians, after dropping three of five starts this season, will tangle with the Abilene Christian Wildcats October 23, in Abilene, as a second conference encounter for each squad. The Indians fell before the Texas A&I Javelinas 22-14 last Saturday in Kingsville, while the Wildcats ran over Western Colorado 39-14.

The Tribe squad meets the Wildcat eleven as a major attraction for the McMurry homecoming, marking the sixth time the Christians have been the Indians grid opponents on the occasion. The McMurry Indians have won four and lost one of the series.

Week of Prayer Is Observed by Members Of Baptist Women's Missionary Society

Members of the Women's Missionary Society of the First Baptist Church observed the annual Week of Prayer in daily programs in the church building during last week.

Theme for the week was "Baptist Highways in Texas."

Mrs W C Russell led the program Monday afternoon, when the following topics were studied: "On the Road to Damascus," Mrs A R Posey; "Beginning of Women's Missionary Union in Texas," Mrs Calvin Collins; "The Sunday School Ridge Road in Texas," Mrs Martha Rhodon; "The Training Union in Texas—Express Ways," Mrs Edward Gardner; "The Brotherhood—Roads Under Construction," Mrs Jim Howard King; "Baptist Student Union—Campus Trails," Mrs Clyde Angel.

Mrs Herman Treadwell led the group Tuesday afternoon in studying "World Highways in Texas." Mrs Teddy Russell gave a devotional to open the program. "The Friendly Road—Mexican Work," Mrs Fred Moore Jr.; "World Highways in Texas—Europe to America," Mrs. Treadwell; "Many Sided Roads," Mrs Bill Shira.

The young people had charge of Wednesday's program, with Mrs J C Greenway leading in studying "Caution—Wandering Roads." The Scripture lesson was Luke 42.

"The Cooperative Program" was discussed by Patsy Parek; "Rural Roads," discussion was led by Donna Gayle Miller; "A Dialogue—Other Road Builders Have Paved the Way" with James Marshall interpreting both parts.

Mrs Etta Stephenson led the study Thursday when hospitals and schools were the subject. Mrs J W Ezell told of interesting charity cases in Baptist hospitals. Mrs W A Allbritton gave interesting details about Baylor Hospital in Dallas Hendrick Memorial Hospital in Abilene, Memorial in Houston, Hillcrest Memorial in Waco and Magic Valley Hospital in Harlingen. She also told of the new hospital being built in Beaumont.

Mrs M P May discussed facts about the Texas Baptist schools. Mrs Tate May, Mrs W L Boy and Mrs Joe A Simpson discussed the founding of Baylor.

Mrs A S pence had charge of the Friday program when the study was on "One Way Only—The Road With Christ," with Scripture from John 4.

Mrs Ned Moore discussed "Trails One Hundred Years Ago," and Mrs Leslie Shelburne talked on "Speed-

way and Barriers." "The Dead End Road of Alcohol," was the topic of Mrs Cecil Sellers; "The Road Ahead—A Challenging Program," was reviewed by Mrs Lester Morton.

Mrs Clyde Angel was in charge of arrangements for the week's program. Theme song for the week was "Road Builders," sung to the tune of "Battle Hymn of the Republic."

Two Snyder Men Are Arrested by Foster

Charges of carrying concealed weapons were filed in county court this week by City Marshall J. H. Foster, against Anderson Davis and Layton Hardwick, both of Snyder.

The men were arrested Saturday near Hamlin, and Foster said both of them were carrying pistols.

Taken to Anson for arraignment, the defendants were released on cash bonds of \$130 each when County Judge Roger Garrett was out of town.

Chevrolet... Leader in Value

Your choice for QUALITY on all these counts

...at prices that are lower than those of
any other car in its field!

Your No. 1 Choice for
RIDING SMOOTHNESS

Men and women agree that Chevrolet gives a much smoother, steadier ride than other cars in its field. The reason is that Chevrolet alone has the original Unitized Knee-Action Ride, backed by more than 14 years' experience in building Knee-Action units. This feature is found elsewhere only in higher-priced cars.

Your No. 1 Choice for
PERFORMANCE
with ECONOMY

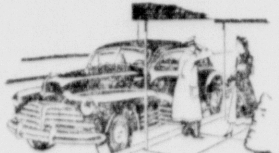

You'll enjoy much finer performance with economy in Chevrolet. Its world's champion Valve-in-Head engine holds all records for miles served, owners satisfied, and years tested and proved. And Valve-in-Head engine design, like so many other Big-Car features, is found only in Chevrolet and more costly cars.

Your No. 1 Choice for
ALL-ROUND SAFETY

You and your family will ride in safety, thanks to Fisher Unitized Body-Construction—safety plate glass in all windows—the road-steadiness of the Unitized Knee-Action Ride—and the stopping-power of Positive-Action Hydraulic Brakes—fourfold safety-protection exclusive to Chevrolet and costlier cars!

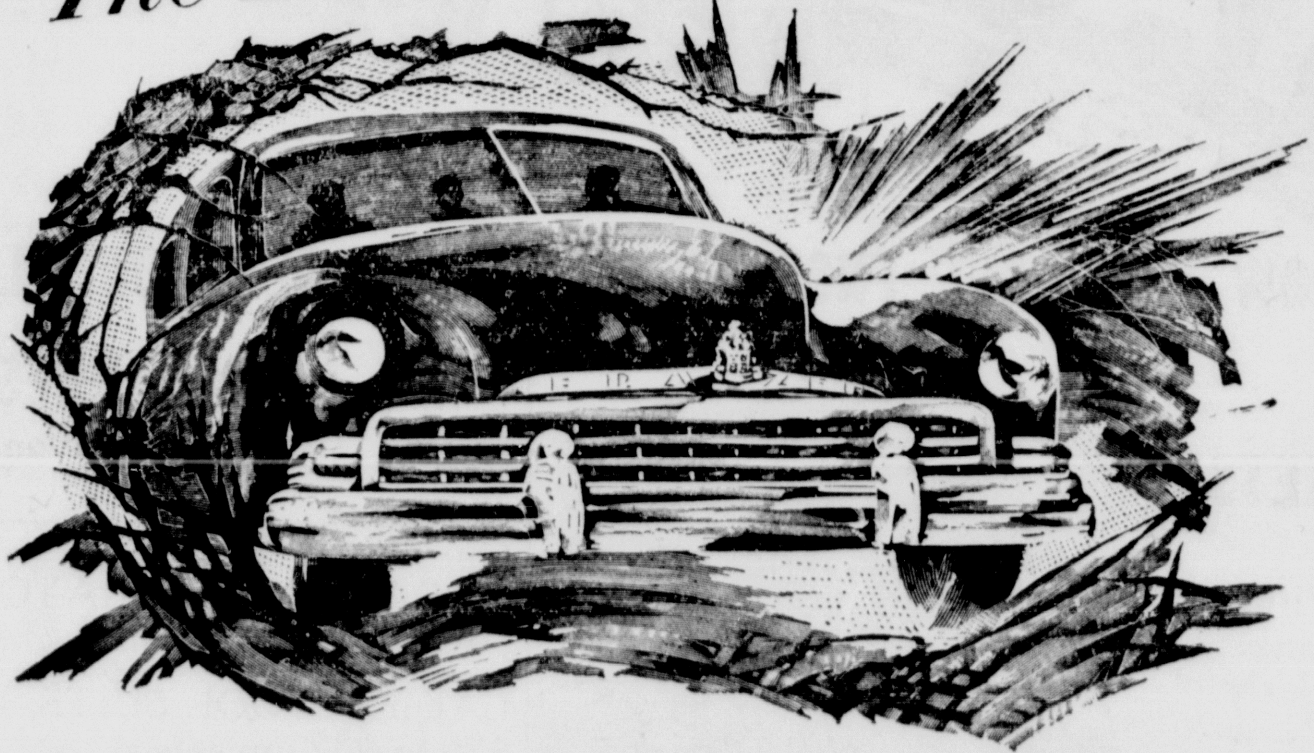

Your No. 1 Choice for
TASTEFUL BEAUTY

You know—and your friends know—that the emblem, *Body by Fisher*, is the hallmark of bodies that are better by far. Chevrolet's Bodies by Fisher reveal this finer quality in every detail, including the hardware, upholstery and all appointments. Naturally, these bodies are exclusive to Chevrolet and higher-priced cars.

The 1949 FRAZER

Trailblazer-of cars to come!

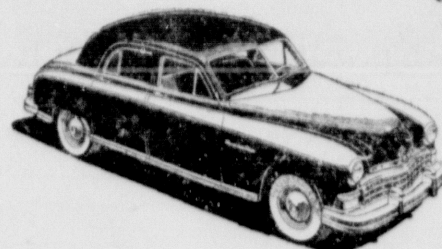

Once in a blue moon the stylists and engineers outdo themselves. They create a car that goes beyond today and sets the pattern for cars of the future.

This is what they have done with the FRAZER for 1949!

Low, sleek and differently handsome it is the trailblazer in style of cars to come. Its exclusive colors and fabrics have made the world's leading fashion designers fall in love with it. They call it "the dream car".

The same car, the FRAZER for 1949, has even won the hard-to-win hearts of the test drivers who must relentlessly punish a car mile after mile for weeks on end. They say the Frazer makes such driving no punishment for them. Its driving ease and riding comfort "make 600 miles a day a breeze," they say.

There's a thrill waiting for you at your dealer's today. With 100 new features, improvements and refinements, the 1949 FRAZER is ahead of its time... out front—trailblazing the way for all the cars to come. First to break clean and scrap tradition, the cars from Willow Run have done it again. Because unlike other "new" cars built since the war, they've road-proved their dependability—2 billion miles worth! Value-proved to a quarter-million justly proud owners. See and drive the new FRAZER now! It's at your dealer's. Kaiser-Frazer Corporation, Willow Run, Michigan.

State Health Official Discusses Menace of Colds; Offers Suggestions

We have all had the experience of in voluntarily moving away from someone in a crowd who suddenly coughed or sneezed. It could be that the offender's nose or throat was merely sensitive to dust in the air, but we take no chances. No one wants to catch a cold, and with good reason.

The movement away from the cold sufferer is based on sound and unpleasant experience. The "common cold" is no respecter of sex, age or season. Everybody knows that a cold can mean days of coughing and sneezing, that "stuffed up" feeling or a running nose, with the victim looking almost as miserable as he feels. Worst of all, although no one dies of just a cold, it can lead to serious complications that may cause grave and even fatal illnesses.

Colds are highly contagious. They are caused by a virus, or germ, so small that it cannot be seen with an ordinary microscope. It travels from the sick person to well people and is most frequently spread by droplets of moisture sprayed into the air when the person with a cold sneezes or coughs.

A cold is an infection and, as in the case of all infections, we can discourage cold germs from taking hold by keeping to a well-balanced, nourishing diet, getting plenty of rest, sleep and fresh air, dressing comfortably and in keeping with the weather and avoiding chill and excessive fatigue.

When precautions fail, as they frequently do, and the first unwelcome symptoms of a cold appear, the victim should stay at home. This prompt action may shorten the cold's existence and lessen the likelihood of complications as well as reducing spread to others. Plenty of rest is an important factor in treating a cold. The cold victim should have plenty of liquids including water, fruit juices and clear soups.

If a fever develops, the patient should go to bed and call a physician.

Anyone who has a cold should exercise common sense and courtesy to prevent spreading it to others. He should "keep his distance," in laughing and talking to others. He should cover all his coughs and sneezes, not with his hands but with his handkerchief or preferably with tissues that he can dispose of easily and inexpensively. The cold victim should wash his hands frequently, because he handles his handkerchief or paper tissues, then handles articles that are used by others, and in that way spreads his cold germs.

Remember that a cold is more than a temporary nuisance. Neglected, it can become the forerunner of pneumonia, serious ear trouble, bronchitis, sinusitis and other serious trouble.

The average American consumes 187.4 quarts of milk in a year.

Sentinels of Health

Don't Neglect Them!

Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The art of living—life itself—is constantly producing waste matter the kidneys must remove from the blood if good health is to endure. When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel tired, nervous, all worn out.
Frequent, scanty or burning passages are sometimes further evidence of kidney or bladder disturbance.
The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body waste. Use Doan's Pills. They have had more than forty years of public approval. Are endorsed the country over. Insist on Doan's. Sold at all drug stores.

The two and a quarter inch rain last week really started the farmers in this community sowing grain.

It seems that most of the news in the big dailies and weeklys last week concerned Dr Callan of Rotan. The doctor deserves a lot of credit, even we can vouch for that. We very well remember when he and his staff "patched up" a lot of broken up people from McCauley a little over a year ago and we have a notion that if ever again we get our heads caved in and our legs broken

we are likely to "bare out" for Doc Callan.
